FROM THE RECTORY

THE REVD. BOB THORN A.K.C THE RECTORY, BURTON BRADSTOCK, DT6 4QS TEL: 01308 898799

"YOU must get pretty tired at Easter," I am told. Of course. Easter is busy. It would be a dismal thing if it were not. All through Holy Week there are services to mark and to follow Jesus on his way to the cross and the

grave. Then, just when he is all safely and tidily buried, the alarm clock goes at 4.30 in the morning to tell us it is time to stumble off through the dark to

the Chapel in the Woods (the moon low on the sea as we chug along the coast road, the moonlight on the path through the low branched

trees) to the early bird service at 6.00. Then there are lots of morning services, which in years past have been followed by a collapse into the White Horse at Litton Cheney

to see the end of the duck race. The voice is tired, the feet are tired and a sleep would be welcome, sometime before or after a slap up hog roast.

But busy is just busy. The wearing, wearying bit is the stretch from one extreme of emotion to another at the opposite end of the scale. The false dawn of Palm Sunday is followed by the frighteningly quick decline through worry, fear, shock and revulsion to the last extremity of sorrow (through the shadowing streets, across the gloomy valley, the sun low over the city behind, the loose weight of a body awkwardly carried) Every year

we follow the disciples, following Jesus, and every year, half thinking that this year we might stand a bit more on the

outside looking in, we turn in a moment to find ourselves back in the messy and

disgusting brutality of the story of the cross.

And then, when at last we are safely and tidily in a state of

mourning, the alarm clock goes at 4.30, crowing like a cockerel, to tell us that a day is coming that requires of our frayed and stunned emotions delight, wonder and tears of joy. Tired is not the word. It is difficult at that moment to register tired – that may come later. For the moment, a speechless voice cannot be tired; feet cannot hurt when they are not touching the floor.

SERVICES FOR HOLY WEEK AND EASTER

Holy Week is exceptionally early this year, beginning on Monday 17th of March and running to Easter Eve on Saturday 22nd March. Easter Sunday is 23rd of March, a fortnight and more before the date of Easter last year.

Because all this is so early, one or two of the items that follow are not fully announced, or may be changed:

1. The walk and stations of the cross: start and finish cannot be announced yet.

2. Easter at Shipton Gorge. The pattern of the service plan means a 6.30pm Evensong at Shipton Gorge. We are discussing making that a Communion service or making some other provision – but please bear in mind 4 below.

3. The 11.00am Morning Prayer at Burton Bradstock could become an Easter celebration similar to the Christmas day type of service if people would prefer that.

4. There are four 11.00am Communions on Easter day. So far we have 3 priests to conduct them. Bob, Jean, and Vicky from Chickerell who at the beginning of February was doing a placement in the Bride Valley. We will have to see who goes where, and what can be done about the fourth 11.00am service. This is a Team Council matter, and will not be sorted until after the publication of this BVN.

FROM THE REGISTERS

On Saturday 12th of January the ashes were interred of the late Patricia Rose Bowden, whose funeral was in December of 2005. Her husband John, with their two sons attended the simple ceremony in the Churchyard of St Mary's Burton Bradstock.

The funeral of John Walter Robinson, lately the landlord of the White Horse at Litton Cheney, was held on Monday 14th of January. The village was shocked to hear the news of his sudden death in the new year. A ceremony at Weymouth crematorium was followed by a service of thanksgiving for his life at St Mary's Church in the afternoon. Tributes were given, including one by his son, describing his Father's humour, sense of adventure and love of the sea. From the Church a great gathering was made to the White Horse, where glasses were raised to toast John's memory. His partner, Cassie and

members of the family will be continuing to run the pub in the future. On 21st of January at Yeovil crematorium the funeral of Sylvia Wrigley was held. She had lived for a number of years in Shipton Gorge after her late husband. Arthur, had retired from running a garage on East St, Bridport. Sylvia herself spent some of her earlier years in India, where her Father was an army bandmaster. She and Arthur were very keen golfers – Sylvia was Lady captain at the local club – and they both took part in charitable work for Rotary and Inner Wheel. Her son, Chris, led the mourning with his wife, Maggie. The congregation sang "Jerusalem" in memory of Sylvia's long association with the W.I. during her years in Woking, and "Abide With Me".

The ashes of the late Walter Harold Laughton were interred in the churchyard of St Martin's, Shipton Gorge on the afternoon of Wednesday 23rd of January. Members of the family supported his wife Kit as the ceremony was held beneath the tower where Walter was a bell ringer for many years.

The funeral of Ann Jordan (formerly Etherington) was held in Holy Trinity Church, Swyre, on Friday 25th of January. She leaves her children, Jane, Simon, Dinah, Bronwen, Lucy and Fred, and a dynasty of Grandchildren and Great Grandchildren. Ann's children had spent most of their growing years in West Bexington, where Ann continued to live until she was obliged to move into Bridport. She was a person of indomitable spirit and a great love of life. She loved riding and swimming, and adored classical music. At the service Josephine Pearce and a grand daughter, Alice, read poems. Nick Salmon read the lesson. Ann was laid to rest with her late husband, Tony, in the churchyard.

Peter Francis John Godfrey was buried in St Martin's Church, Shipton Gorge on Wednesday, 30th of January. He was laid to rest with his late wife, Denise, on a lovely day of chill winter sunshine, following a service in the Church. Many years before Denise had lived in the village, but until her death in 2001 they had lived at West Bay, where Peter continued to live until his death. Their daughter Annaliese led the mourning, supported by the assembled friends of the family. The hymn, "Crimond", was sung, and "The day thou gavest, Lord, is ended".

FROM THE PARISH COUNCILS

BURTON BRADSTOCK PARISH COUNCIL PRECEPT FOR 2008/9

The precept is an annual additional charge on household Council Tax bills to provide the funding, together with other income sources, necessary to meet Parish Council expenditure. Burton Bradstock Parish Council has set and agreed a precept for 2008/9 of £19,000. This is considerably larger than the levels set in recent years when amounts between nothing and £10,000 have been applied.

2007/8 saw a substantial rise in Parish Council expenditure and this was associated with a number of problems which were not budgeted for. These included the Napoli incident which brought large numbers of sightseers to the beach, deteriorating the car park surface when it was particularly vulnerable (after a wet winter), problems with the Hive toilet pumping system, a poor summer for car park visitors and the costs of preparing the Post office to handle an expanded range of business. These unforeseen expenses have depleted the reserves which the Parish Council needs to maintain to meet such unplanned situations. The budget for 2008/9 has been prepared for a worse case scenario and a £19000 precept is required to balance projected income and expenditure. There are many unknowns, particularly summer weather, but we are hopeful that we might do better than the forecast and that the reserves can be rebuilt during 2008/9.

PUNCKNOWLE AND SWYRE PARISH COUNCIL

NEXT MEETING

Will be at 7.30pm on Tuesday 4th March at the Village Hall in Puncknowle. The Agenda for the meeting and draft minutes of the previous meeting are published on the Parish Council noticeboards in Puncknowle, Swyre and West Bexington at least one week before the meeting.

If you have any issues you wish to be considered, please contact the Parish Clerk, Mrs Carolyn Buckland on 897726 or *e-mail* puncknowle@dorsetparishes.gov.uk

THE NAPPER CHARITY

Parish Councillors, as Trustees of the The Napper Charity, will be considering a motion to change the terms of the Trust so as to relate more to the present day whilst staying consistent with the spirit of its purpose. All residents with an interest are invited to attend to make any points about the proposed change. Details of the motion will be placed on the noticeboards as above.

HOMEWATCH

Would any local resident who is village-based during the day and has a computer be interested in taking on the role of Homewatch coordinator for the Parish – acting as a focal point for receipt and local distribution of any criminal activity identified by the police to named contacts around the community.

The role is voluntary, is not very demanding, but does provide you with an opportunity to make a valuable contribution to village life. Activity in the past suggests no more than an average one hour per

month. Please contact the Chairman, Tony Edwards, on 897435 if you can help. It provides a good way of meeting people. (Sadly the previous co-ordinator, who has done an excellent job for over five years, has had to stand down due to health problems.)

PLAYING FIELD TIDY-UP

We still plan to have a 'tidy-up' Sunday at the Playing Field in Puncknowle – our previous two dates in November and January having been rained off. Please contact Liz Slater on 897751 if you can help.

We will take the first 'dry' Sunday in March – and we will ring to confirm that we can proceed if the conditions are right at the Field. Our first 'attempt' will be for Sunday 9th starting at 10.30am. Come along with the children or without, join us for some tea and cake!

SHIPTON GORGE PARISH COUNCIL

The next meeting of the Shipton Gorge Parish Council will take place at the Village Hall on Monday 17th March commencing at 7.30pm.

The annual Parish Meeting will take place at the Village Hall on Wednesday 23rd April commencing at 7.30pm.

Ernie Thomas – Parish Clerk

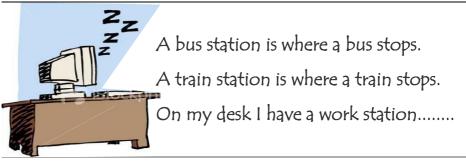

LITTON CHENEY PARISH COUNCIL

ANNUAL VILLAGE ASSEMBLY

The Annual Assembly will take place at Thorner's on Tuesday 11th March at 7.30 pm.

This is your opportunity to voice your opinions or concerns about village matters. There will be a presentation by the Western Area Transport Action Group (WATAG) whose objective is to seek and achieve sustainable improvement in local transport systems – this could be your chance to have your say about local transport.

The assembly will be followed by a meeting of the Parish Council.

The final fixture will be on Wednesday March 5th at 6.30 in Shipton Gorge Village Hall. Litton Cheney Junior team will be playing Burton Bradstock Juniors. After the interval for refreshments the Playgroup Mums team will be challenging the Bellringers.

This event should be a lot of fun, so please come and support it.

As soon as possible after Easter we are planning a guiz event for everyone to enjoy, with presentations to the winners, a show case match with the winning Junior team facing the winning Senior team, and also a schools derby between Thorners and Burton Bradstock.

More details in April's BVN.

FOUR "HEAD GARDENERS" IN THE ANDES

Steve Griffiths, Curator of Abbotsbury Subtropical Gardens, is giving a presentation billed as a travel adventure exploring the Chilean National

 Parks, in Burton Bradstock Village hall at 7.30pm, on Friday 14th March.

He will also be running the London marathon in Association order to collect funds for The Stroke Association.

BRIDE VALLEY GARDENING CLUB

As Wednesday 19th March is the first meeting of the gardening club year we hope that we will get a good turnout from our members for this workshop. Please send in any problem you have in your garden which can be discussed and new ideas put forward. We hope that those of you who are not members will feel happy to come along too. The second meeting will be on Wednesday April 16th when we will have a speaker who will give practical advice on growing organic vegetables.

BRIDE VALLEY FLEDGLINGS PLAYGROUP

Children, staff and parent/helpers all went out recently - between the rains - on another nature ramble. This time our object was to see the new

play equipment in Litton Cheney Playing Field, and after trekking up the lane, across fields, through lots of mud, across the fast flowing stream - we made it! The equipment was thoroughly tested and enjoyed by all children present - climbing the steps and the wall, sliding down the pole and the slide - great physical play fun. On our way we

saw new lambs and sheep, played "pooh sticks" under the bridge over the stream, and explored how deep the mud was in places! (Very!)

Our theme has continued via activities such as making collage tissue paper landscapes, putting together skeletons, drawing round our bodies, hand prints, cooking noodles to celebrate Chinese New Year - also making sweet and sour sauce to dip our crackers in. Fortune Cookies were supplied by Elfin's mum who helped out, and we also made paper lanterns, as well as Sonya reading the story of all the Chinese Animals. Our Dragon came out again - and after some running repairs by Maureen and some children, we did some dragon dancing in the school hall, and waved ribbons on sticks. We made a "Dinosaur World" for our toy dinosaurs to live in, also drew round and cut out some big "Dino Feet". We joined in with Reception Class making pancakes on Shrove Tuesday - some children had two bite-sized portions - some at Snack Time and again in with Reception! Five of our pre-schoolers have attended School Assembly again - at their request - and again behaved very well indeed.

A charity Wine Tasting Evening, hosted by Mark Banham of Palmer's Wine Store, is to be held on Saturday 15th March at 7.30pm. It should be a fun, relaxed evening, tasting affordable wines which will be available to order at a discount on the night. Held at Thorner's School in Litton Cheney, the event is being organised by Bride Valley Fledglings Playgroup to raise funds towards the new school and community hall in Litton Cheney (LATCH). Limited numbers of tickets are now available from the school

office, Palmer's Wine Store, Burton Bradstock Post Office, The Manor Hotel at West Bexington and the White Horse Inn in Litton Cheney. So do come along and help us boost the funds!

For information about playgroup, do not hesitate to ring us at school on 482410, Rachel Maltby on 482246 or Carol Bennett on 897771.

BURTON BRADSTOCK PLAYGROUP

The children have been very creative, making lots of lovely goodies.

A morning was spent painting using their hands, some brushes and plastic cars – the boys in particular enjoyed making paint tracks with the car wheels. There has been the usual cutting, sticking and

Charity Commission No. 1042713 playing with playdough, in addition the

children have been making Chinese hats and Chinese dragon heads in celebration of the Chinese New Year.

With the improvement in the weather the children have had the opportunity to play 'hide and seek' in the Rectory garden. On our village walks they have had a chance to feed the ducks and see some of the daffodils that have started to make an appearance. When it has been too wet to go outside the children spent time dancing and using an assortment of instruments to make music.

There has also been pancake making and pancake eating which was enjoyed by everyone.

We had a visit from Chloe "the bunny", the children had to be very quiet so as not to frighten her and enjoyed stroking her and feeding her.

When we return after the half-term break the theme for the term will be growth and with Easter approaching quickly there will be lots of new things to make.

The Primary School PTA is holding their Duck Race on Sunday March 23rd and the Playgroup will have a stall on the day, so please come along and support us. We are also hoping to have an Easter Toddle, so keep an eye out for us as we walk around the village.

A special thank you to Heather and Ryder for hosting another 'pop-in' day, despite the appalling weather £60 was raised for the playgroup.

If you are interested in joining our playgroup Ann-Marie can be contacted on 07853 150467 or Audrey on 01308 897227

It was one of those perfect English autumnal days which occur more frequently in memory than in life. P. D. James

BURTON BRADSTOCK CE VC SCHOOL

The spring term has been particularly hectic this year, predominantly due to Easter being very early. This has effectively concertinaed twelve weeks into ten with all the usual events squashed in as best we can.

Our main concern at present is our need of lunchtime assistants for kitchen and playground duties. If any BVN readers are interested in either of these jobs please do get in touch with the school office – 897369. We would love to hear from you.

The PTA kindly paid for a travelling theatre company to perform 'Cinderella' for us as a new year treat, and a treat it was. The show was brilliant and the children had such a great time that they are clamouring for more.

Meanwhile the school choir has been steadily 'evolving' over the past year or so. On Mondays after school a group of between 15 and 20 children meet together to sing. We have a lot of fun and as well as an assortment of songs in a range of styles, we have also been learning a short cantata, 'Hamelin Town'. The children are looking forward to putting on a concert for parents, governors and volunteers in the school. It really is true that singing lifts the spirits and gets the endorphins going. For some reason I tend to find Mondays a struggle, yet finishing with choir can be a great way to end the day.

We have also seen the continuing spate of national headlines about the merits or otherwise of schools and standards. Perhaps the less I say about these the better. For those of us at the 'chalk face' it feels as if the policy makers and Ofsted are more out of touch than ever with their expectations of what is humanly possible within the hours we have. Mind you, they do have a wonderful sense of humour. For example, have you heard the one about 'life work balance'?

THORNER'S CE VA PRIMARY SCHOOL

Daffodils, primroses and crocuses are all in bloom and it looks like Spring but somehow it is still a long hard slog from Christmas until March and the fear is that the winds will come and batter the flowers before we have had a chance to appreciate them. The evenings are

much lighter though and even the dark mornings are attempting a little optimistic brightness a little earlier. We are fortunate to live in an area of such natural beauty and to be so aware of the changing seasons.

When I wrote in this slot previously, I mentioned the joy of watching the seasonal changes to the trees at the bottom of our school field and of wondering at the sight of small dead creatures brought into school by enthusiastic future biologists.

I have recently taken ownership of a Giant African Land Snail and knowing the fascination of young children with small living, preferably slimy things, I decided to make him/her (they are both you know) the focus of Key Stage 1 Literacy for a week or two. It was a great hit and Snail was very popular, giving us a good focus for some non-fiction investigation, and inspiring some lovely writing and drawing.

In the week beginning 10th March we shall hold our Annual Book Week with the usual popular activities such as Dressing-Up Day, Bedtime Story and a session with a visiting storyteller. This is always an enjoyable event in the school calendar and I may have just found inspiration for my costume this year...but how do I make the shell?! Maggie Hooper

ROLY, THE CHURCH'S JESTER

Roly is coming to St. Mary's, Litton Cheney, on Sunday 30th March 11am for our 5th Sunday United Service

He is an ordained priest and a full time itinerant clown. He has won many awards and has clowned all over the UK, across the USA, in Canada, Australia, Sweden, France, Belgium and Holland. - in churches, chapels, cathedrals, prisons, hospitals, schools, camps, conferences and clubs, halls, big tops and theatres!

When Roly was 8 he wrote about wanting to become a clown but ended up becoming a priest! While he was training he wrote a special sermon on 'Jesus the clown', - the importance of laughter and the need to embrace the

ridiculous and the absurd. He went on to portray Jesus as the jester, the truth teller whose life ends in the cross and yet has the last laugh as he makes a mockery even of death in His resurrection.

Roly was ordained in 1978 and in 1982 he co-founded 'Holy Fools', a loose network of Christian clowns who work in groups or alone, in their local area. The aim of Holy Fools is to explore how clowning, miming, puppetry, dance, storytelling and allied arts can be used in ministry and worship and to help each other to develop their skills.

Roly went to clown school in Bristol in 1990 to develop his clowning and circus skills and has since encouraged many to think about what happens in their church services, introducing moments of play, moments of stillness, moments of absurdity and foolishness. He is best known for his slack rope routine which leads children and adults (especially adults) to a deeper understanding of 'the foolishness of the cross'. He retells popular Bible stories in his own clown style. All his routines have some Christian basis, story or punchline.

He has written several books including 'When Fools rush in – a call to Christian clowning' in which he shares his philosophy and journey as a clown and describes how you too can become one.

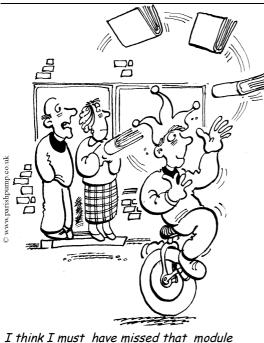

I first met him when I joined Holy Fools in 1990 at a workshop he was leading in Eastbourne. The following year, as he finished his course at Fool Time in Bristol,

several of us went there for his first workshop as a 'graduate' clown. I have watched and worked with him many times and always come away inspired. Do see him at work – dusting off the cobwebs from our church life.

I hope you too will join the invitation 'Let us play'.

EASTER

The date of Easter is tied to that of the Vernal Equinox, which in turn is dictated by the phases of the moon. There may be a reader who can remember the formula, but, be that as it may, Easter Day this year is the earliest since that of 1913...

Easter Sunday falls on the 23^{rd} March, which is the 4^{th} Sunday in the month, so there will be the usual Holy Communion in Church at 11.00 a.m. This is usually the best-attended service of the year, and everyone is warmly invited to maintain that.

In preparation for Easter, on **Good Friday**, 21st March, the short Litany Service from the Prayer Book will be said in Church at 10.00 a.m. Visitors as well as regulars are very welcome to this simple but moving service. **CHURCH DECORATION**

(without our guiding spirit of the past) will take place after that Good Friday service, and we hope there will be a good team of volunteers to help. It is also good to have as much help as possible with picking, bunching and Good Friday, please. FRUGAL LUNCH Earlier in the month, Peter and Carrie Jackson have

tying the primroses for the customary writing in the windows, which needs about 200 bunches of primroses of about 20 heads each. These should ideally be brought to the Hall or the Church from about 11.00 onwards on

again kindly offered to host the Lent Frugal Lunch at Littlebredy Farmhouse at 1.00 p.m. on Friday 14th March. Soup, bread and cheese will be available in return for a donation to charity, and we hope this will be well supported.

LITTON AND THORNER'S COMMUNITY HALL (LATCH)

The fundraising bandwagon rolls on and our target of $\pounds400,000$ is no longer a dream. With the help of various benefactors and grant providers we are within $\pounds80,000$ of the required funding. Much of the

local funding has come through personal donations from village wellwishers. We have 39 donations and looking to reach 50 and you may wish to help us reach this number and indeed beyond (see below).

In addition to the personal donations, LATCH has received tremendous support from a large number of people in the village who have given up their time to help with fundraising and others who have applied their professional skills in getting this project up and running, who when asked to put in a bill have responded by saying "No charge". Thank you – your gesture is very much appreciated and will hasten the oncoming of the community hall.

Invitations to tender for the building of the community hall have now been sent out and we remain supremely optimistic that work will begin sometime in May. With good weather and a fair wind the prospect of having the community hall open before Christmas 2008 remains a distinct possibility.

The final push for funds is now on. Please play your part. There <u>will</u> be a community hall so why not join the growing band of local residents who have contributed in many ways to this worthy community-led project.

For more information and to make a personal donations contact Ron Davidson (482661), David Taylor (482532), John Firrell (482313) or Freddie Spicer (482617).

CHURCH ELECTORAL ROLL – REVISION

The Church Electoral Roll is revised each year (except when a new roll is prepared every sixth year) in time for the Annual Parochial Church Meeting. If your name is already included in the current roll, then no further action is required of you.

The revision period leading up to the annual meeting provides an ideal opportunity for those who wish to have their names added to the electoral roll to apply for enrolment, the requirements for which are very simple. You must be baptised (christened), a member of the Church of England or of a church in communion with it, be aged 16 or over, and either a resident in the parish or have regularly attended church there for at least six months.

Being on the electoral roll of the parish means you can attend Annual Parochial Church Meeting (to be held this year on Monday 21st April at 7pm) and vote in the elections to the Parochial Church Council or stand for election yourself if you are a communicant member of the Church of England. It enables you to have your voice heard at Deanery and Diocesan level as well as in your own parish.

Application forms for enrolment on the Church Electoral Roll will be available in church in the weeks leading up to the annual meeting. If you wish to contact me direct on Tel 897316 to discuss any aspect of enrolment I will be pleased to help.

BURTON BRADSTOCK LIBRARY

At last we are in a position to move forward on the issue of preserving the Burton Bradstock library building and maintaining the library service at the current level.

The Dorset County Council have offered Burton Bradstock Parish Council a 99 year lease at a peppercorn rent of the Burton Bradstock library building. In return the community will be required to fund the running costs of the building.

As has been stated previously in the BVN it is proposed to establish a Friends of Burton Bradstock Library (FBBL) (in the form of a charity) who would fund raise to help the Parish Council meet the annual running cost of the building. It would also provide volunteers to restore the cut in opening hours, from 10 to 6 hours a week, following the introduction by the County Library service of 'core hours' opening. It now seems likely that the core hours regime will start in September 2008.

An inaugural meeting of the FBBL will be held at 8 pm on Wednesday the 9th. of April in the Village Hall. Please come and help us set-up the Friends to preserve the building and maintain our current, and much valued, library service. Additional details will appear in the April edition of the BVN *R.J. WOMEN'S INSTITUTE

In glorious summer sunshine we had our February meeting with 43 members hearing Mark Stainer - Head Gardener, talk on Margery Fish and the Gardens of East Lambrook in Somerset, together with slides from her original garden.

She was a true advocate of Cottage Gardens and gardening and in her late 40s moved from London with her husband, to transform this garden to the place it is today. She had certain rules, one of which was to make things simple, to have many evergreens, so the garden looked good

in Winter and that her terraced beds looked good from 4 angles. She liked a tapestry of flowers: Penstemons, Papaver, Salvias, Euphorbias, Pinks, Nepita and Clematis were amongst her favourites. She enjoyed being known as a "Jungle gardener".

We have had 7 new members this year and we are very pleased to welcome them from Burton, West Bexington and Little Bredy - the Committee welcomes new blood into our thriving Insitute with its many Groups throughout the months.

The March Meeting will take place on Tuesday 4th March at the Summer time of 7.30pm when our Speaker will be Andy Violet talking on "Devon Pottery". The various groups, Creative Writing, the Reading Group the Walking group, the Mahjong group, the Art workshop and the Tapestry group will all be taking place. Please check on the notice board outside the Hall for dates and venues.

TALKS

The programme of talks this year has proved a great attraction, often filling the Village Hall to capacity, and we must thank John Graham for his efforts in tracking down so many exceptionally good speakers. The two remaining talks promise to be every bit as fascinating as the previous ones.

On Friday the 7th of March, Bob Mizon from Wimborne, a well-known lecturer who operates the Mizar Travelling Planetarium, will talk on "The Vital Role of the Sun re-visited" followed by brief information on "Astronomical developments to look out for in the next 2 years".

Don't miss the last talk of the season on the 11th of April, which will be given by Bonny Sartin, a member of the Yetties folk group for 45 years. He will be speaking on "The Banks of Newfoundland", which were exploited by Dorset fishermen for hundreds of years and led to the growth of Poole as a port. His talk will be illustrated by quotes, songs and poems.

BURTON BRADSTOCK BRIDGE GROUP

Burton Bradstock Bridge Group will be meeting in the Village Hall on Tuesdays at 2pm from 4th March until June. For further information please phone 898117.

RESULTS OF BURTON BRADSTOCK ONLINE DIGITAL PHOTO COMPETITION 2007

1st Prize – Adults

1st Prize – Under 16s

The Digital Photo Competition awards were made on Friday 11th January, 2008 at the Burton Bradstock Village Society evening by judges Mike Southgate (Chairman of the Judges) and David Barnikel.

Comments by Mike Southgate: "The judges had some good photographs to consider amongst the entries for the 2007 competition in both sections, but the majority were of beach and coastal scenes. We were disappointed that there were so few of activities in the village. We are hoping that this year's "Wild Life" topic will generate a wider range of subject matter; so have a go and get those pictures entered."

The results were as follows:

Adults:

1st Prize: £100 'One more cast before dark' - Sue Kirby 2nd Prize: £50 'Walking the dog along the Burton Cliff footpath' Robert Belbin

3rd Prize: £25 'Delivery' - Mark Pike

Highly Commended: 'Watching the sunset from a bench on Burton Cliff' Robert Belbin

'An afternoon stroll' - Simon Kirby

Under 16s:

1st Prize: £50'Mum skimming' - James Suter2nd Prize: £25'My Dad Mackerel Fishing' - Charlotte Toms

3rd Prize: £15 'Dancing off to the Moon' - Toula Kanellaki Highly Commended: 'Burton Wind Power' - Toula Kanellaki 'Teddy on the beach' - Lorna Farrell

Mike Southgate announced a new Digital Photo Competition for 2008 with the theme "Wildlife in Burton Bradstock in 2008". Full details are to be found of all entries, the above winners and the new competition at www.burtonbradstock.org.uk.

N.B. Although photos must be taken in Burton Bradstock, the competition is open to anyone, wherever they live!

BURTON BRADSTOCK VILLAGE SOCIETY

I am sure we all know by now that whenever David Barnikel shows us his slides of his overseas travels, we are all in for a treat and this time was no exception when he gave us a presentation on Friiday 11^{th} January entitled ' Images of China'.

He went to China on an organised tour in December, travelling with Saga! We saw dramatic photographs showing many aspects of life in the new China. Altogether a fascinating insight into a country which up until recent times has remained a bit of a curiosity.

Our next meeting is on 7th March when Bob Mizon will be telling us all about the vital roll of the Sun on our planet and what developments to look out for in the next two years.

DOGS AND THE CHURCHYARD

I have had several people contact me regarding dogs being allowed to roam free whilst being exercised in the churchyard consequently fouling the graves.

This is extremely distressing for the people attending the graves, distasteful for the people who work hard keeping our

churchyard looking so well kept, and shows a shocking lack of good manners on the part of the people allowing this. Please remember that the churchyard is sacred ground and should be treated as such.

If you walk your dog through St Martin's churchyard please keep it on a lead, and clean up after your pet.

SHIPTON GORGE LTD

We are delighted that the sign to The Orchard is now erected on the new gates and our grateful thanks to John Hall, ably assisted by Pam Graham, who arranged, directed, collected and erected the sign for us.

Many congratulations to Ann White from Cairnhill who won our Christmas Quiz Competition, scoring a magnificent 16¹/₂ points out of a possible 20. Very well done to her, and we hope that all of you who entered enjoyed searching out the answers over the holiday period.

Thanks also to all of you who support us by using the www.easyfundraising.co.uk website to raise money for Shipton Gorge Ltd when you purchase items on the internet. You raised over £50 this way in the last quarter of 2007 and we are already on the way to a similar amount for the first three months of this year. This is a great help towards our maintenance costs and anyone can do it, so if you purchase things by internet please register on the site and help us to raise even more!

As you read this it is hoped that 12 apple trees, including Tom Putt, Court of Wick – a West Country apple dating from 1790 – Devonshire Quarrendon, dating from 1676 and Beauty of Bath will have been planted in the top third of The Orchard. These are all bush trees and grafted onto a dwarfing rootstock so will not grow taller than 8-12 feet, thus preserving the view of the church from Brook Street. Should weather conditions have

been unfavourable for planting at the end of February the trees will be planted as soon as possible in early March.

SHIPTON GORGE RAMBLERS

Welcome to a fresh new season of lovely walks! - Flower arrangers and flowers and foliage are always welcome.
- Help with providing refreshments at special services.
- General maintenance of church and churchyard.

BEYOND THE VALLEY

THE DORSET REGIMENT **GREAT WAR MEMORIAL PROJECT**

The aim of this project is to provide a lasting memorial to the officers and men of the Dorset Regiment who died in the Great War. 27000 officers and men served in the Dorset Regiment, of whom 3.929 died on active service, some 15%. It is

proposed to place the memorial on the Somme battlefield where many of the regiment made the supreme sacrifice.

The target is to raise £25,000 to cover the expense of production, erection, the cost of negotiations with the French and the formation of a fund for long-term maintenance. It is intended that the memorial shall be of classic design but the actual complexity and size will be determined by the amount of money raised.

Those in the Valley who would like to contribute to this project, individuals or corporate bodies (e.g. The Royal British Legion) should send their contributions, before the end of March, direct to the Treasurer, The Dorset Great War Memorial Project, c/o The Military Museum, Bridport Road, Dorchester, Dorset DT1 1RN. Cheques

should be made payable to 'The Dorset Great War Memorial – The Keep Museum'. To make a credit card donation, please contact the Keep Museum by telephone (01305 264066) or on-line: www.keepmilitarymuseum.org

Further details (a leaflet is available) are available from the Military Museum, Dorchester.

FRIENDS OF AGE CONCERN DORCHESTER "100 CLUB"

In order to raise funds to support activities for older people in the Dorchester area, we are proposing to set up a 'Friends of Age Concern Dorchester 100 CLUB'.

St James the Least of All (The Rev Dr Gary Bowness continues his letters from 'Uncle Eustace') On how to survive a parish retreat

The Rectory St. James the Least

My dear Nephew Darren

So, your vicar has appointed you magazine editor; I wonder what you have done to so offend him. Our own magazine editor has only held her post for the last 30 years because she is deaf, has no phone and always spends the fortnight after the publication of each issue on a remote Scottish island.

I think that your hope of now being in charge of an organ that will convert the entire parish to Christianity within a couple of editions may be a little optimistic. Most recipients of the magazine use it for finding the phone number of the local plumber or undertaker - or both if there is a major burst in the pipe.

If you want to keep any piece of information utterly confidential, then publish it in the magazine; that will ensure that everyone will remain wholly ignorant of it. On the other hand, if you accidentally transpose the names of the ladies responsible for the altar pedestal and lectern on the flower rota, it will be spotted within seconds of publication. It is also helpful to people who need to consult the staffing rota, to find out who took the collection a little too aggressively at Evensong the previous Sunday. The reports of the meetings of the monthly groups are also useful for reminding those who attended what happened, as they slept blissfully through most of it.

I would suggest you keep the first page which lists all the church officers with their phone numbers - although do omit your own number, so that complaints will have to go to someone else. It also seems to be a tradition that while all the digits of every number will be there, they are generally published in an incorrect order. This gets people to talk to one another as they phone round trying to find out the correct number for the treasurer. If you submit any articles yourself, then I would suggest that your final paragraph does little other than repeat the penultimate paragraph, since when it is printed, the final few lines of any article are invariably accidentally omitted. My final piece of advice is to omit any deadline for submission for the following month. Such information only ensures that everything will be sent in the week after your requested date.

I wish you many happy hours deciphering illegible script and checking up on tea rotas.

Your loving uncle, Eustace

ONLY IN BRITAIN

do supermarkets make sick people walk all the way to the back of the shop to get their prescriptions, while healthy people can buy cigarettes at the front.

do people order double cheeseburgers, large fries, and a **DIET** coke.

do banks leave both doors open and chain the pens to the counters.

do we leave cars worth thousands of pounds on the drive and put our junk and cheap lawn mower in the garage.

can we buy hot dogs in packs of ten and buns in packs of eight.

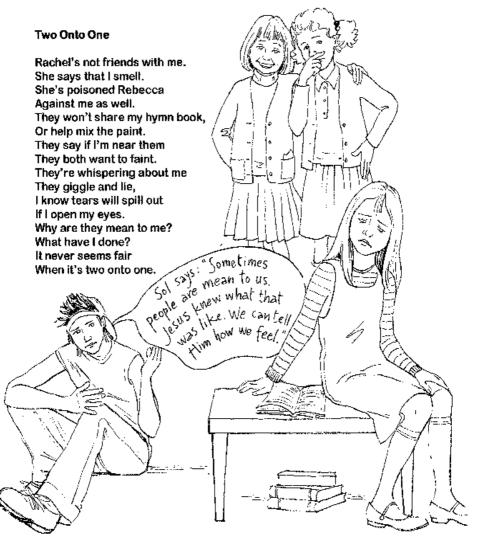

do we use answering machines to screen calls and then have call waiting so we won't miss a call from someone we didn't want to talk to in the first place

MOTHERING SUNDAY 2nd March

The old Gospel reading for this Sunday was about the feeding of the five thousand so it was called Refreshment Sunday. Over time this Sunday became associated with family reunions and gatherings and became Mothering Sunday.

Mother's Day, which in this country is on the same day as Mothering Sunday, is an American invention which was started in 1906. Mother's Day is about the mother of a family but Mothering Sunday is more connected with Mother Church, the family meaning has been added on.

Whatever we think about commercial inventions, it is still good to thank those who care for us, no matter how old we are.

MOTHER'S DAY CARD

Nice cards for Mother's Day can be rather expensive so why don't you make your own? You don't have to be artistic to make this simple lacy card. You will need some coloured card, glue and a paper lace doily.

Cut a piece of card twice as big as the card you want and fold it in half. Then cut up the doily to make the decoration – some have lovely patterns of harts, flowers and leaves.

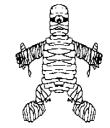

Put a very small amount of glue on the back of the 'lace' and press it onto the card. Finish off the card by writing a nice message inside.

THE OTHER MUMMY?

Why do mummies tell no secrets? Because they keep everything

under wraps.

How can you tell when a mummy is angry? He flips his lid.
