IN THE LIBRARY

Home Made for Christmas

Planing ahead. There's nothing like receiving homemade gifts, with the love that goes into making personal presents. It's that time of year to start planning ahead. Give some time and thought to those extra special gifts to make for Christmas. Get some ideas from the additional craft books now on display in the Library.

Celebration of Poetry in the Library

During October the Library is focusing on poetry, with books and poems to read and discover, perhaps rekindle old memories.

We have already received quite a few of your ideas for our poetry wall, but please keep them coming. If you have a favourite or are happy to share your own poem(s) with us, then please let me know or leave them in the library.

National Poetry Day on 4th October is an annual event encouraging poetry for everyone.

Lego in the Library on Wednesday 24th October

Starting at 10.30am for a maximum of 1½ hours, the Library welcomes Lego Builders Young and Old.

Children should be accompanied by a parent or guardian (please note we have no duplo for younger children). The format of the session will very much depend upon the numbers on the day.

Christmas Cards

A selection of Christmas Cards from previous years is available to purchase in the Library for early posting. A new card for this year will be here soon.

Police Surgeries in the Library
